

FastBooking Platform Guide

2026-08-19 | <https://booking.fastsmc.com>

FastBooking is a multi-tenant recreation, booking, and commerce platform for sport and aquatic facilities, restaurants, hotels, private clinics, and ticketed events. Tenant administrators enable only the product modules they use.

Every facility, programme and member. In one place.

COMPLETE CAPABILITY MAP

One booking platform. Every kind of visit.

FastBooking combines purpose-built customer journeys with a shared, tenant-scoped operating model for teams running complex services.

Aquatics and programmes

Plan the full participant journey, not only the final booking.

- ✓ Swimming lessons, terms, sessions, capacity, and waitlists
- ✓ Pool and lane allocations with conflict-safe resource checks
- ✓ Programme enrolment, attendance, no-shows, and visit history
- ✓ Flexible facilities, courts, rooms, and equipment inventory

Memberships and access

Keep entitlements and arrivals visible to the people serving customers.

- ✓ Gym, fitness, fixed-term, and multi-visit membership plans
- ✓ Casual access, front-desk check-in, and attendance records
- ✓ Membership validity and remaining-visit validation
- ✓ Multi-location services with tenant-scoped customer records

Bookings for every service

Use a purpose-built journey while retaining one operating model.

Payments and reporting

Reconcile what was booked, paid, refunded, and attended.
